COCCINELLE'S CLEAR LEATHER-TRIMMED TOTE

Finished with a raspberry saffian leather trim, Italian brand Coccinelle's boxy, transparent tote is a dream for both poseurs and voyeurs alike (categories which, if we're honest, most of us fit into quite comfortably). From a rolled-up Missoni beach towel to a smartphone and a Chanel lipgloss, it begs to be filled with fabulous things; to be made as beautiful on the inside as it is on the outside. Wear it with a bikini by the pool and your go-to denim for a day's shopping.
