FANTASY HIGH STREET

Fashion designer Emma Cook on her dream parade of shops:

- 1. CASS ART LONDON** I love stationery and there is always something I need. I want to paint a canvas after visiting this shop.
- 2. FRESH & WILD** My son loves the smoothies, I go for the bread.
- 3. TOPSHOP OXFORD CIRCUS** The boutique section has a great selection of designer stuff.
- 4. ALFIES ANTIQUE MARKET** Good second-hand and vintage items are hard to find in London. Alfies has the best.
- 5. NET-A-PORTER.COM** You don't have to leave the sofa, it comes so quickly. The couriers are handsome, too.
